

BASIC TRUTHS GLEANED CHAPTER BY CHAPTER

Chapter One:

We must defend the gospel of Christ.
Let us seek to please God.
Let us be different from the world.
Let us obey God's call.
Rejoice at one's repentance.

Chapter Two:

Beware of trouble-makers.
Do not put up with them.
Do not envy the good work of others.
Do not forget the poor.
Do not be a respecter of persons.

Chapter Three:

Justification is by an obedient faith.
The Spirit comes through the faith, not the Law of Moses.
The Law of Moses is a curse to those who seek justification by it.

Chapter Four:

We are not slaves in Christ, but free-born sons/daughters.
Do not allow yourself to be a cast away!

Chapter Five:

We are free in Christ by the gospel.
Freedom works for God.
Freedom serves the brethren.
Freedom is **not** worldliness!

Chapter Six:

Let us engage in the work of service.
Let us help the brethren to do the same.
Fulfill your material responsibility.
Walk as new creatures.
The Israel of God is the church.
Peace and mercy are found **only** in Christ and his church!
